Arizona Network and Telephone Equipment and Svcs CTR059873

www.rubrik.com

MANUFACTURER OVERVIEW

Rubrik helps enterprises achieve data control to drive business resiliency, cloud mobility, and regulatory compliance. Rubrik allows 360-degree view of all your users, content, and application relationships across time which helps you to understand granular or meta-scale changes in your environment. With Rubrik Security Cloud, you can automatically protect data from cyber-attacks continuously monitor data risks, and quickly recover data and applications.

DISCOUNT STRUCTURE AND CATEGORIES

Type	Discount	Description
Security Equipment	12%	May include devices operating at any layer in the OSI model. 1. Packet inspection/rule enforcement (ACL, Firewall, IDS, DDOS, etc.); 2. Real time interpretation and response (Application Firewalls, IPS, etc.); 3. Content Filtering and/or Rate Limiting; 4. RAS solutions (VPN, SSL acceleration, etc.); and, 5. Centralized monitoring, trend analysis, health and alerting systems.
Monitoring & Management Solutions	12%	May include software or appliances operating at any layer in the OSI model: 1. Solutions should accomplish the centralization and interpretation of data acquired from networked devices; 2. Solutions should be developed around commonly accepted methodologies and should make use of the newest versions of SNMP and/or TLS; 3. Solutions must enhance security, manageability, and accountability; 4. Solutions interface should be an intuitive GUI, with possible built in CLI and manual configuration abilities; and, 5. Reporting and analysis tool must include canned reports for regulatory compliance with HIPAA, etc.
Other Network Centric Solutions	12%	May include required network elements not present in other categories. 1. DNS, NAT/PAT, DHCP, and other IP Address management solutions; 2. Mobility and session persistence solutions; 3. Authentication.
Warranty Information		Hardware products for one year from the date of shipment; our software warranty period is 90 days from the date of delivery. However, products are supported for as long as a customer purchases Rubrik Support Services (not to exceed 5 years from the End of Sale date).
